

Free training presented by Seniors Rights Victoria

~ Funded by DHHS as part of the trial of the Integrated Model of Care ~

Dates: July 2019

Time: 12.30pm to 1.30pm

Venues: Monash Medical Centre, Clayton Campus

Workshops:

- Safety planning and risk assessment for older people (Thurs 11 July)
- Adult children returning home (Thurs 18 July)
- Elder abuse and capacity issues (Tues 23 July)
- Money, ageing and family: Moving in with family (Wed 31 July)

This training is designed to complement the Level 1 and Level 2 elder abuse workshops. The modules will expand on key topics introduced in the foundational training.

Who should attend: Staff from Monash Health's hospital campuses and its community-based programs are invited to attend. e.g., staff from ACAS, HARP, TCP, Allied Health and Social Work; case managers; and medical staff. We also welcome interested staff from other community programs in the local region.
