Your thoughts matter.

JewishCare
Enriching Lives

Jewish Care is a Safeguarding Children certified organisation. That means we care about children and young people and want to hear what they think.

If you feel unsafe, unhappy, or want to tell us something about your experience at Jewish Care – we are here to listen.

Reach out

We will always listen to what you have to say. You can ask a family member, a carer, a Jewish Care staff member, or another trusted adult to help you.
